

Information Security & Quality Policy

fiskaly stands for the secure, standard-compliant and quality-driven provision of fiscalization services. fiskaly GmbH, fiskaly Germany GmbH, fiskaly Iberia S.L., and fiskaly Italy S.r.l. are strongly committed to information security, legal compliance, the fulfilment of customers' requirements and their expectations and to the continuous improvement of all the processes, services, and relevant assets, in all locations, whether on premise or remote.

fiskaly's integrated Management System is designed to achieve *ISO 27001 and ISO 9001* compliance and the objectives of confidentiality, integrity, availability, and quality in third party services, fiskaly's processes, hardware, software and services.

Information security and quality are therefore a priority for fiskaly. The entire management and all employees are hereby bound to adhere to this Policy and to comply and cooperate with fiskaly's integrated Information Security and Quality Management System and the continuous improvement of information security and quality.
